Texas
Teacher STaR Chart

This training module is designed to assist you in completing your Teacher STaR Chart.

The Teacher STaR Chart can be located at:
www.tea.state.tx.us/starchart

Teacher Information

- Passwords are confidential! Sharing your passwords is not recommended
- Your scores on the Teacher Survey are confidential; you can print your survey if you would like to have a copy for your records.
- The STaR Chart survey will assist your district in making plans for future technology plans and staff development.
- If you must log out before you complete the assessment the system will save the answers you have already selected.
- Only the District, Campus, and Help Desk Administrators can see user names.

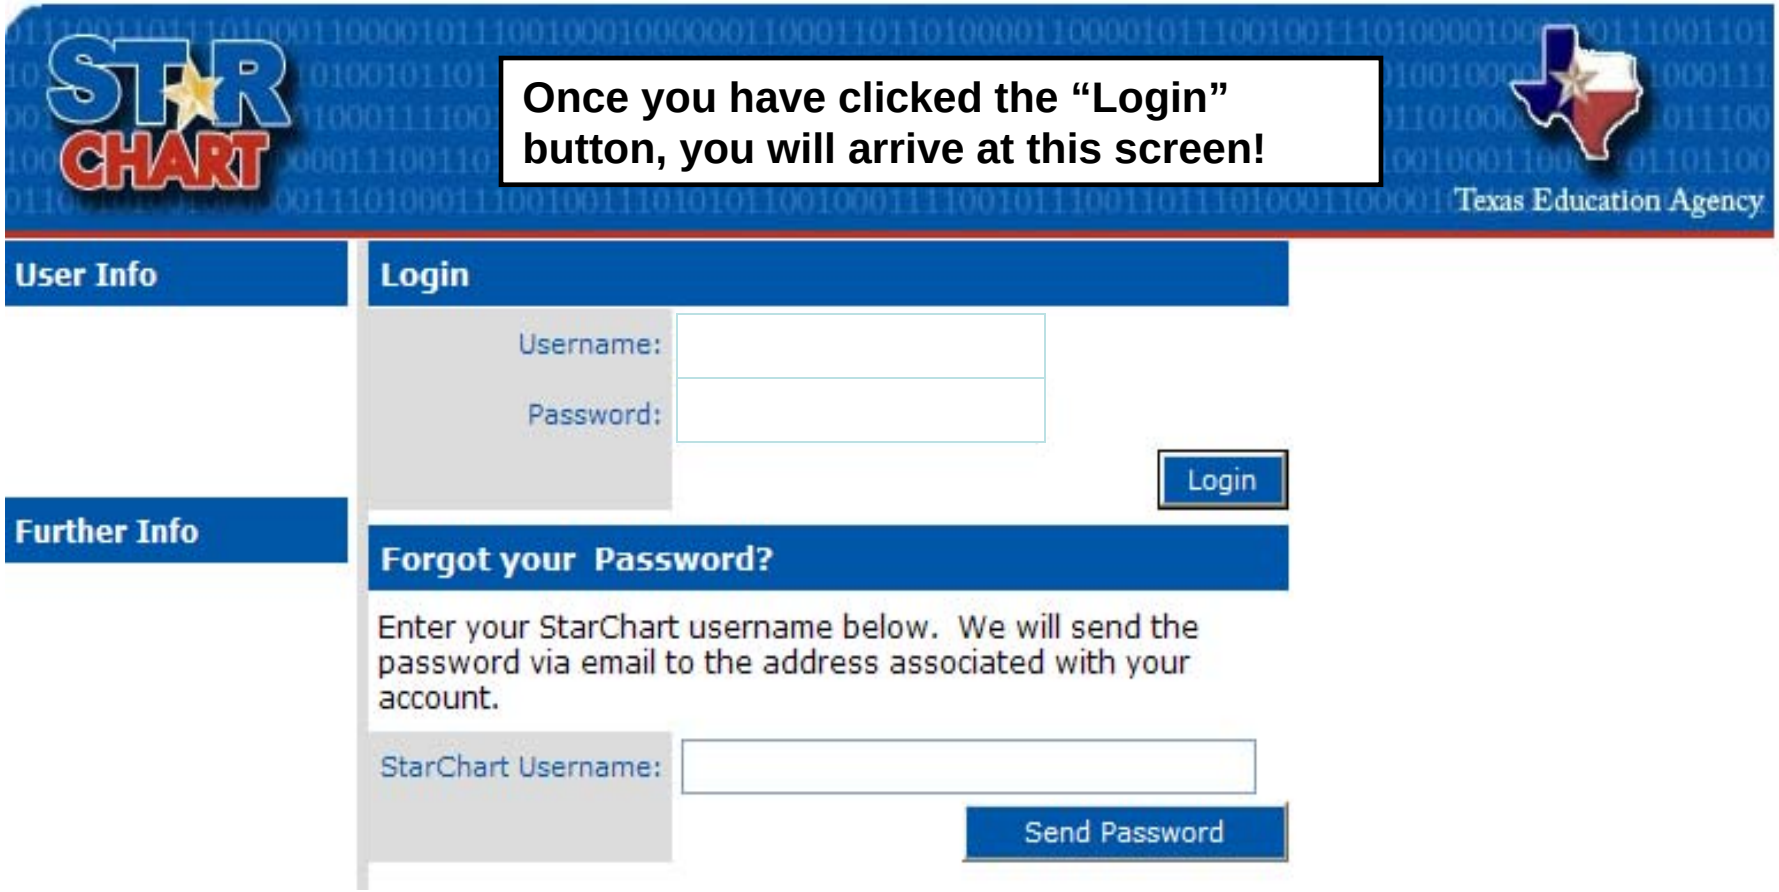
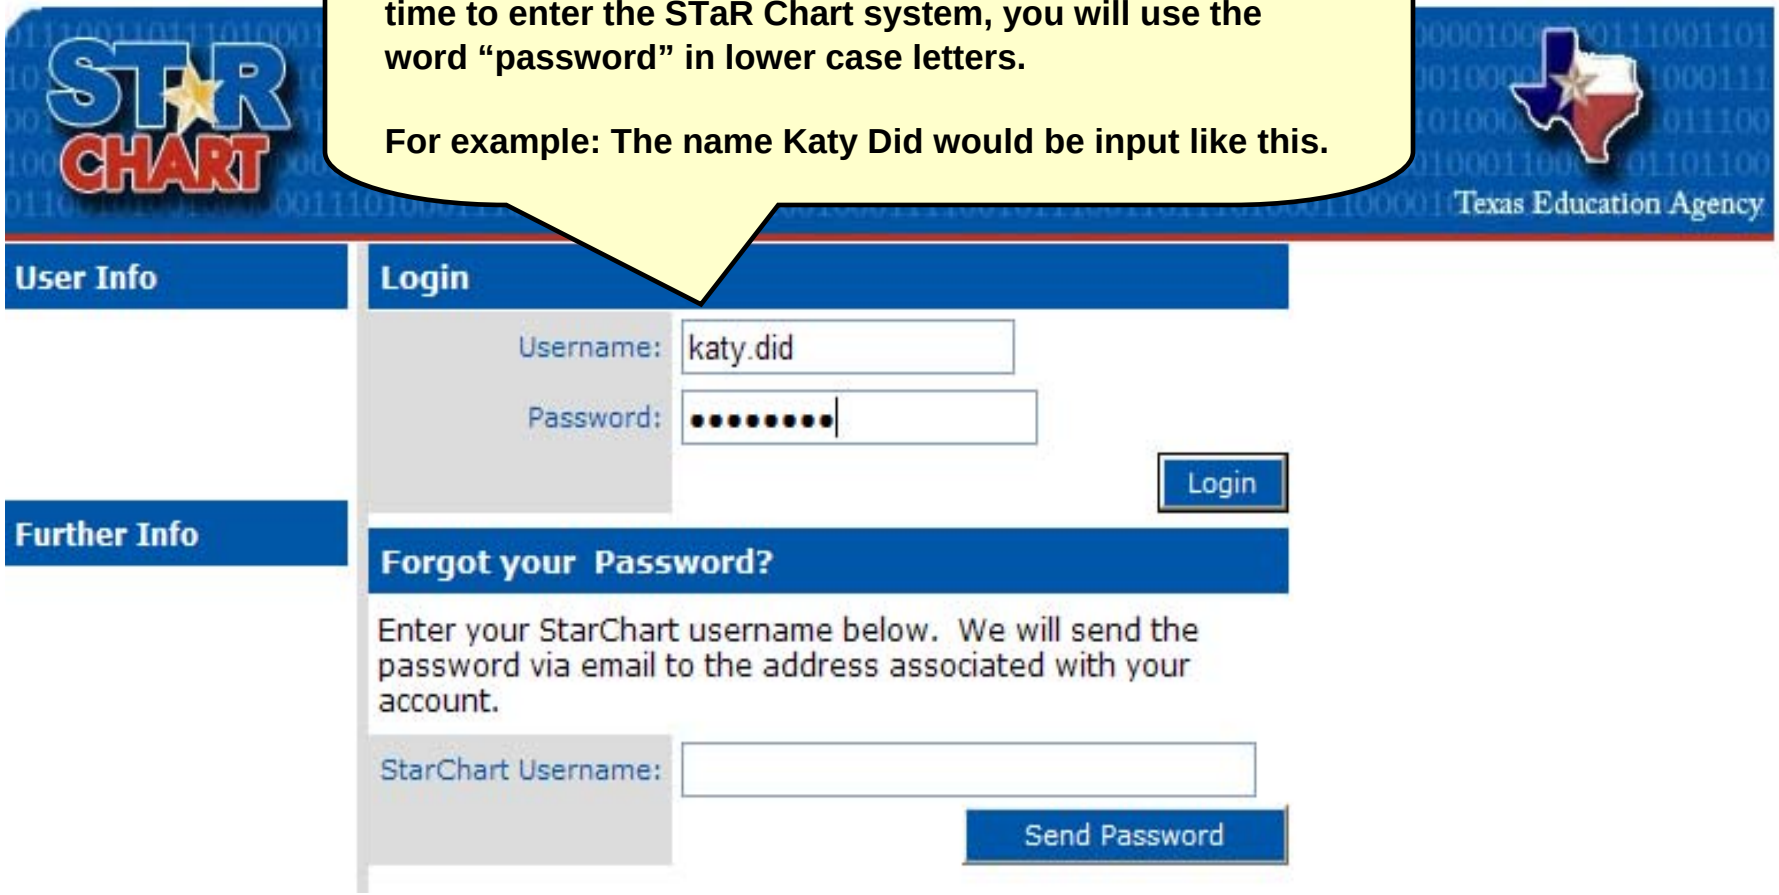
Once you have clicked the "Login" button, you will arrive at this screen!



Copyright © Education Service Center Region 12

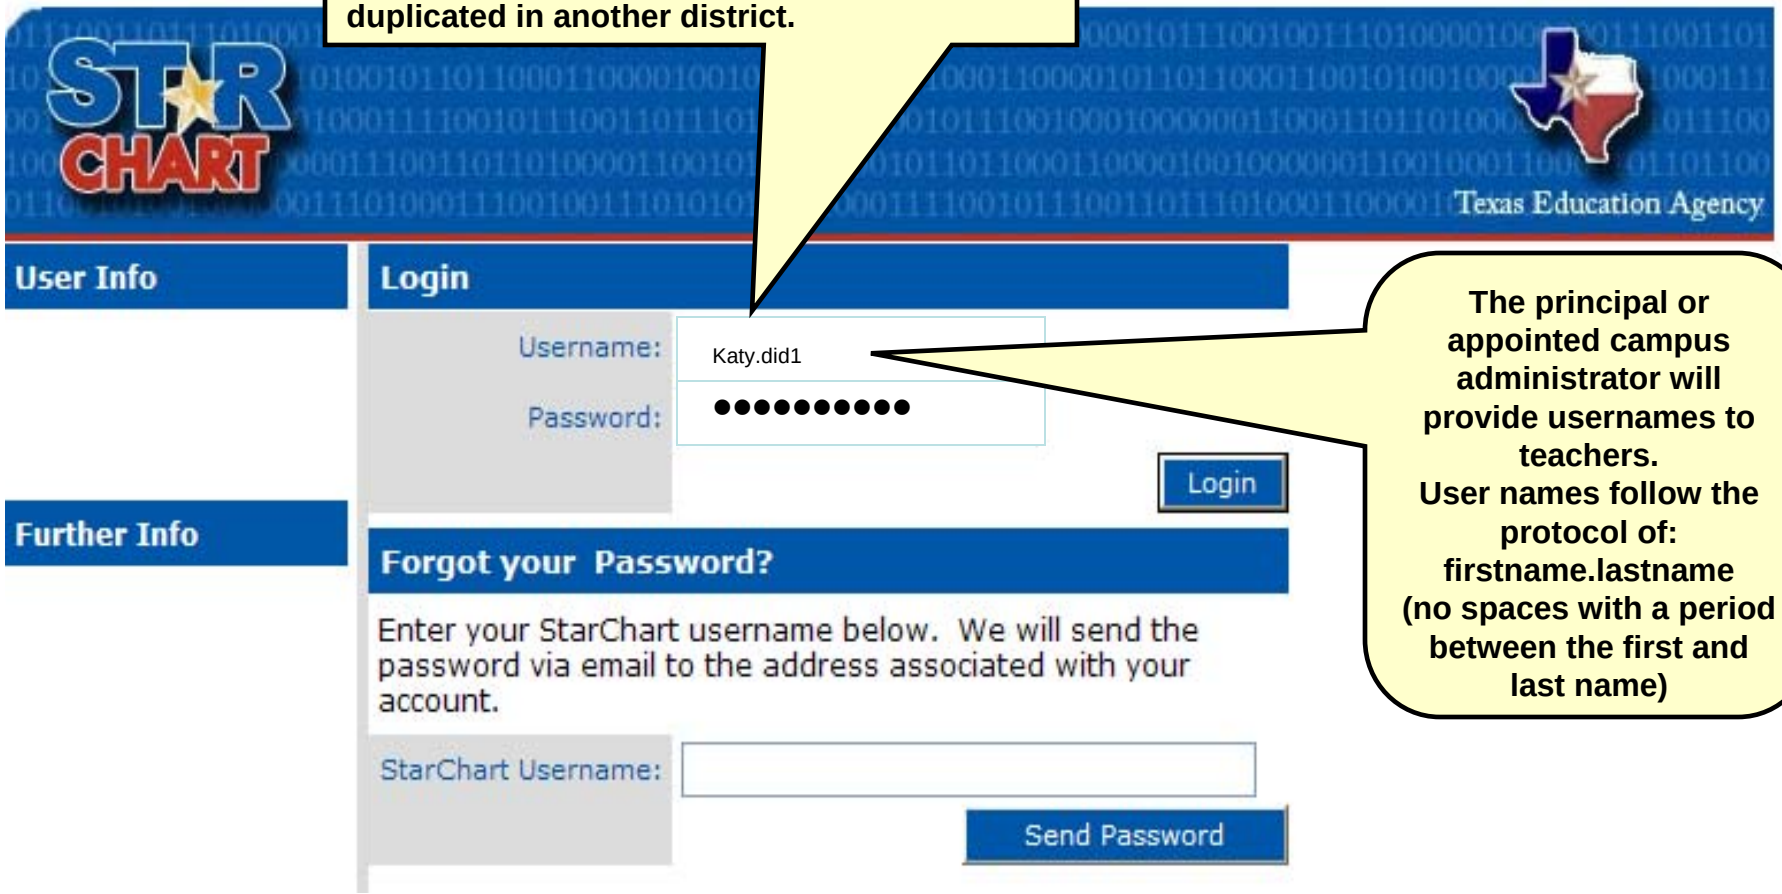
If you have previously created a STaR Chart profile, you will have a password that <u>you</u> created. If this is your first time to enter the STaR Chart system, you will use the word "password" in lower case letters.

For example: The name Katy Did would be input like this.



Copyright © Education Service Center Region 12

Sometimes your username will have a digit(s) after the last name. The STaR Chart is a state wide system which could mean your name is duplicated in another district.

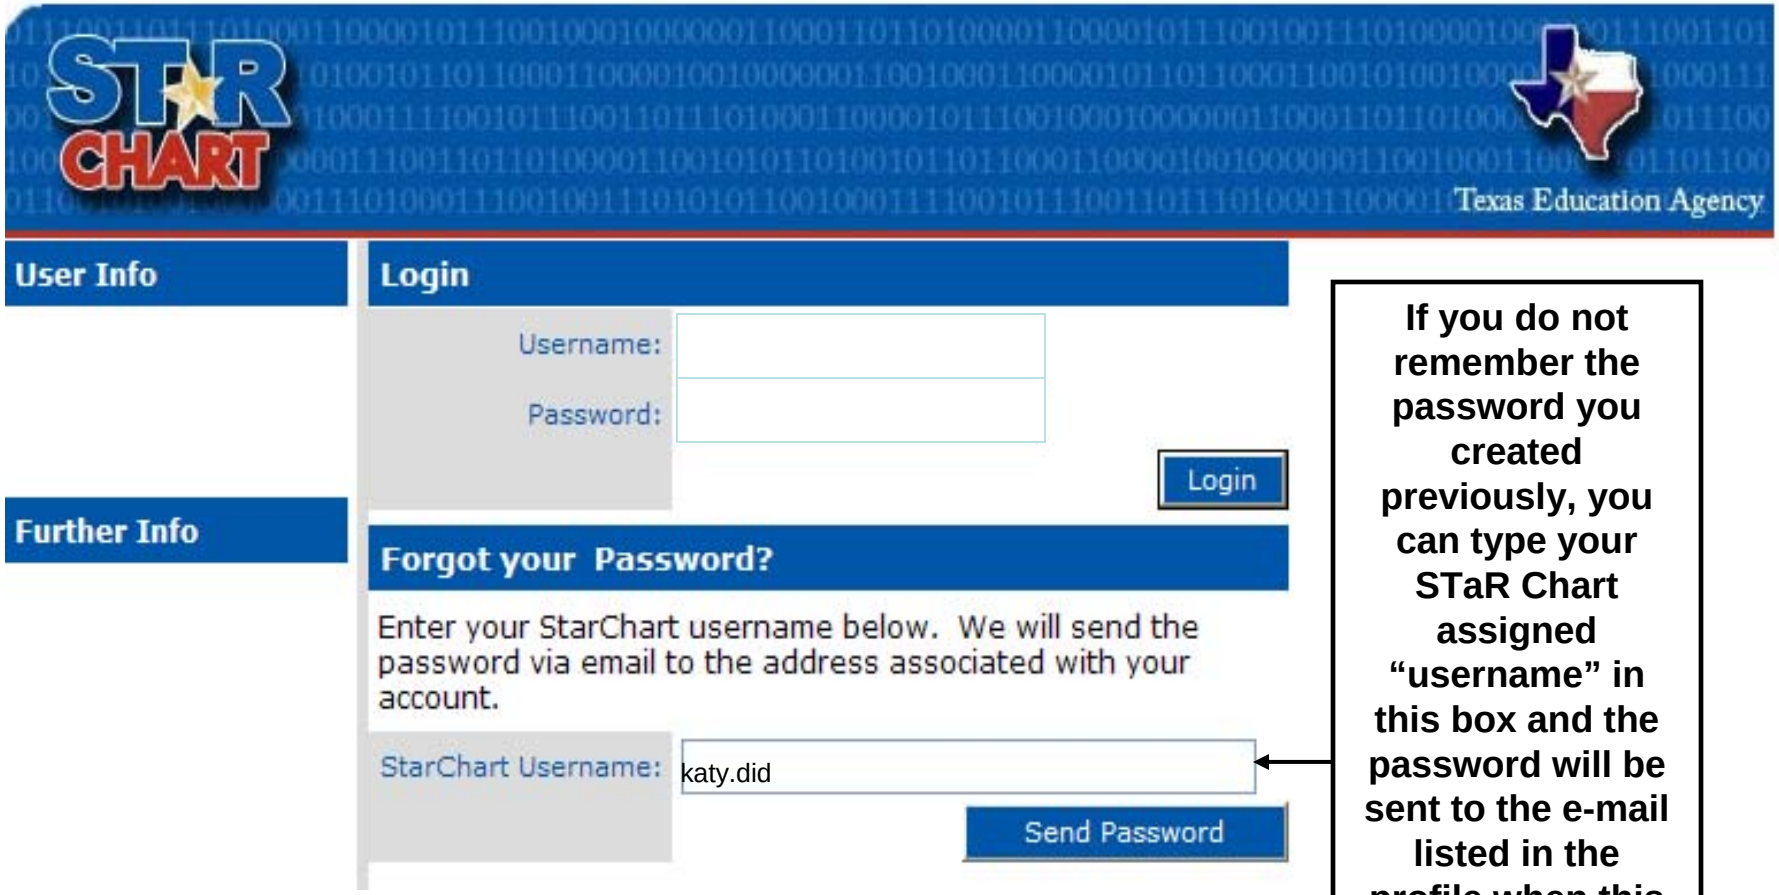


The principal or appointed campus administrator will provide usernames to teachers.
User names follow the protocol of: firstname.lastname (no spaces with a period between the first and last name)

Copyright © Education Service Center Region 12

Did you forget your password?

Copyright © Education Service Center Region 12



If you do not remember the password you created previously, you can type your STaR Chart assigned "username" in this box and the password will be sent to the e-mail listed in the profile when this user was created. Don't forget to type the period between your first and last name.

Again, remember that the principal or appointed campus administrator will provide username and profile information to you if you need this assistance.

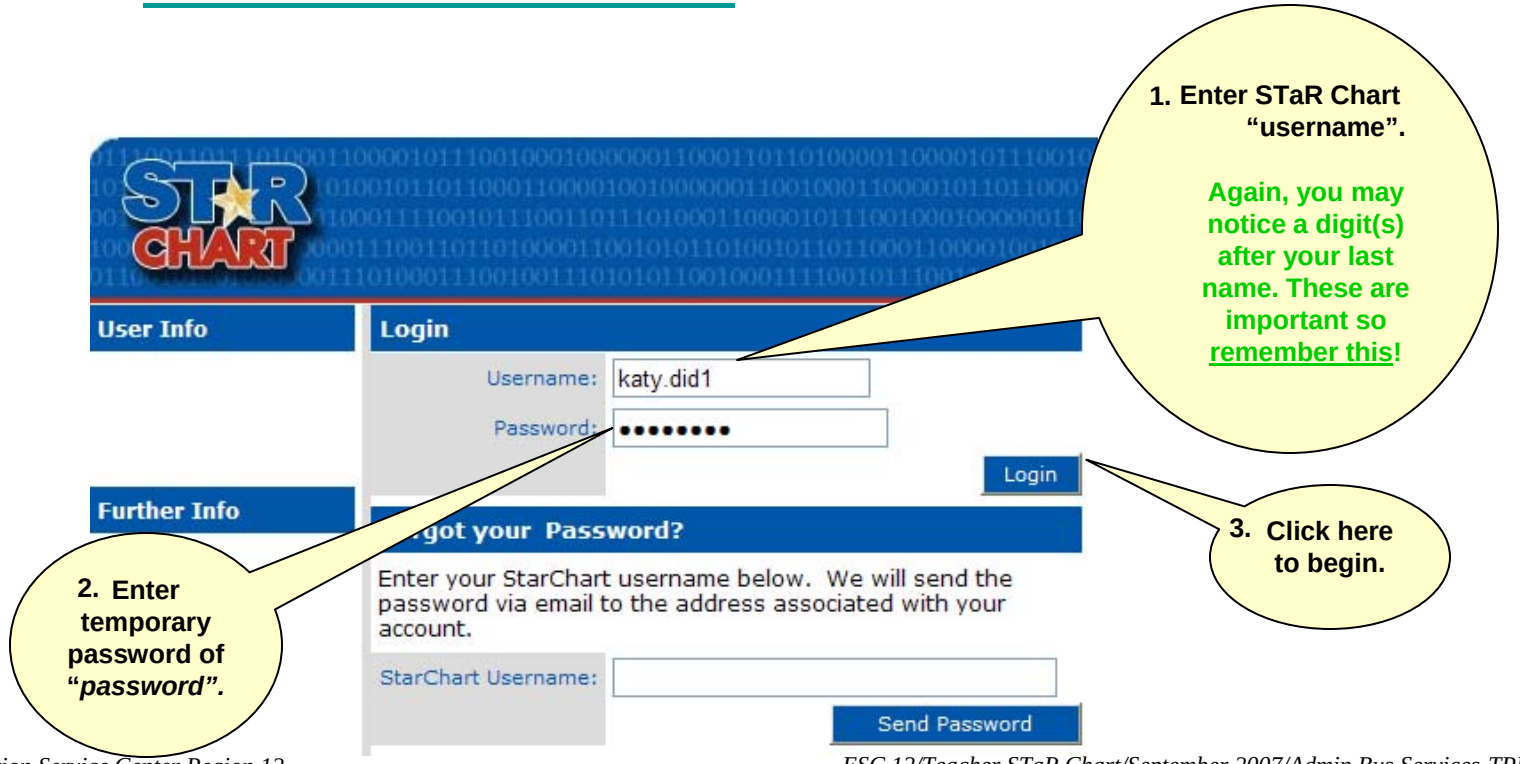
Question:

I am a new teacher with no password or, I have moved to a different campus or district.

How do I log in?

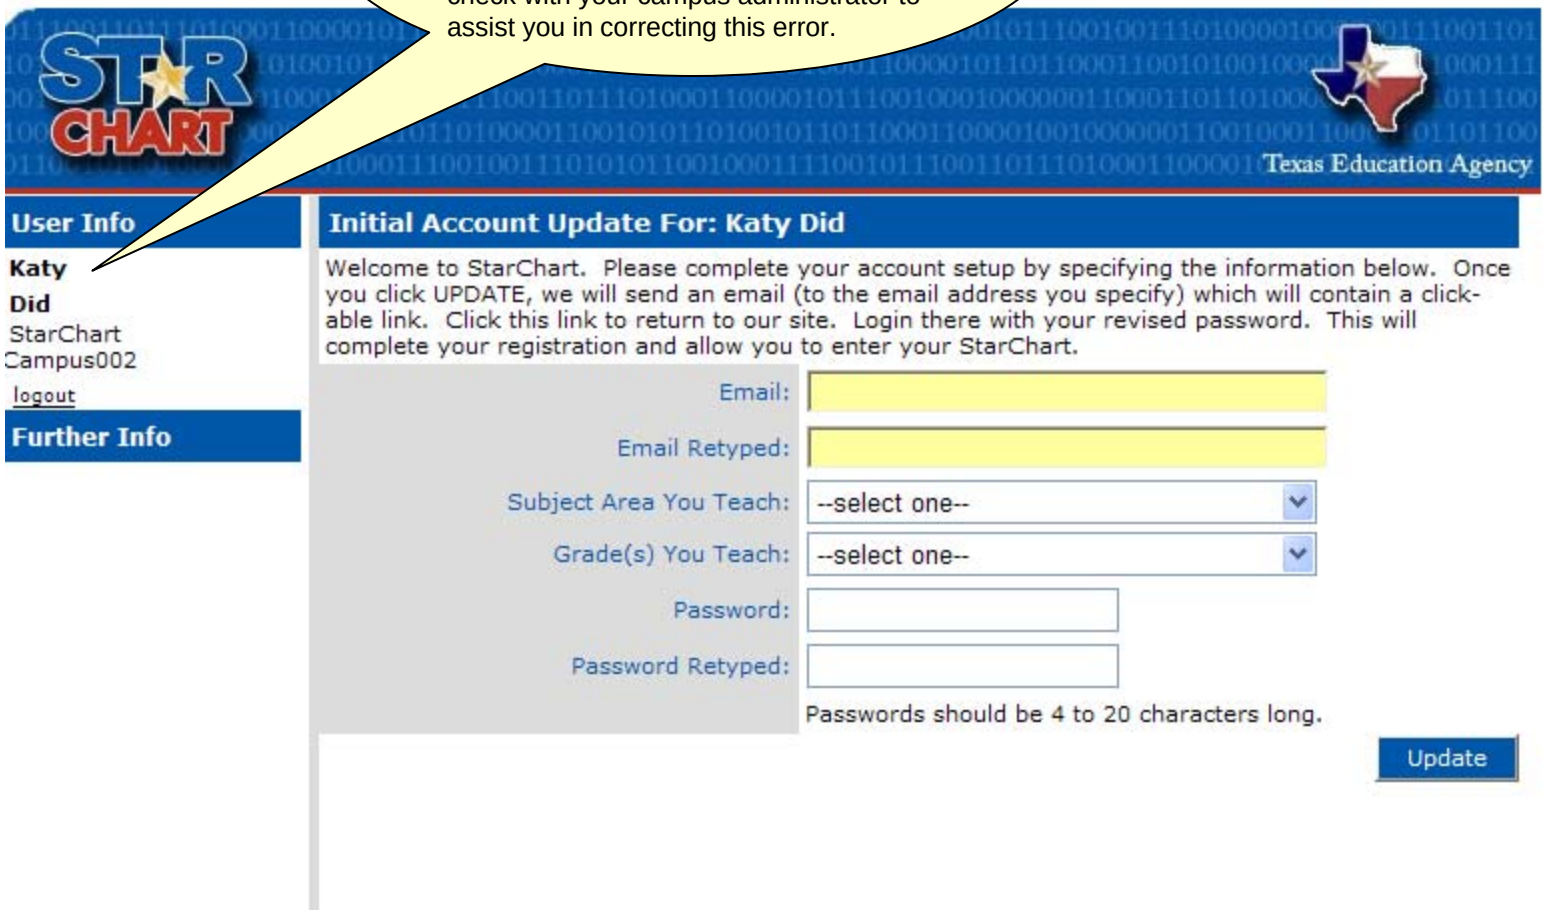
1. **Obtain your "username" from the campus administrator in charge of the STaR Chart.**
2. **Log in with that username and the temporary password of "*password*" at the STaR Chart website: www.tea.state.tx.us/starchart**



Copyright © Education Service Center Region 12

Question continued

ALERT: Once you are logged in, be sure your name and your campus name are listed correctly. If you find the information listed here is incorrect, please check with your campus administrator to assist you in correcting this error.



Copyright © Education Service Center Region 12

Since you are a new teacher and this is the first time you have logged in to the STaR Chart system, you will need to change your password to a permanent password that only you will know. This is referred to as your "revised" password.

Question continued

Question continued

Once you have completed the profile and click update you should receive the following message:

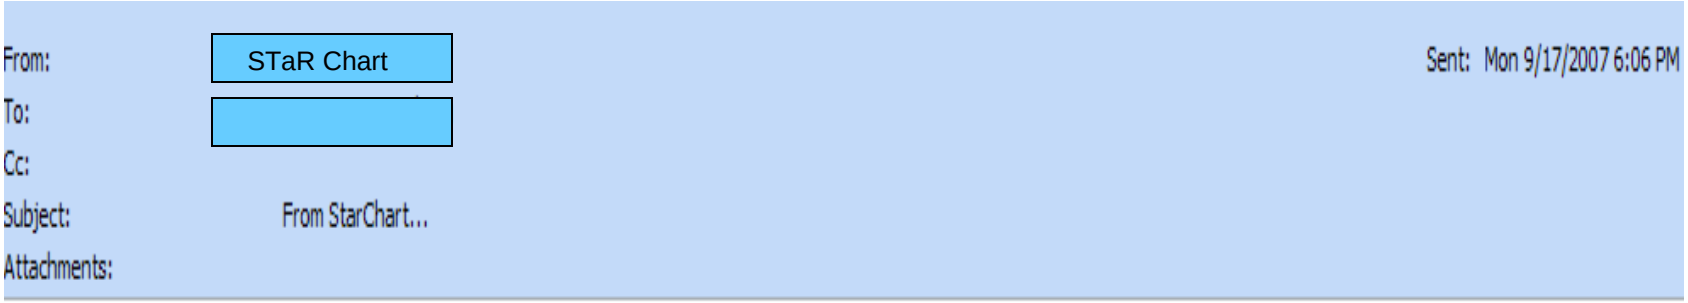
You have been sent an email from STaR Chart.

You must open that email and click on the clickable link in order to activate your profile.

Copyright © Education Service Center Region 12

You will need to open your e-mail and check for a message from starchart@esc12.net.

Question continued



By Clicking on the link below, you will be returned to the STaR Chart site. Please login using the password you just created in your profile to complete your registration:

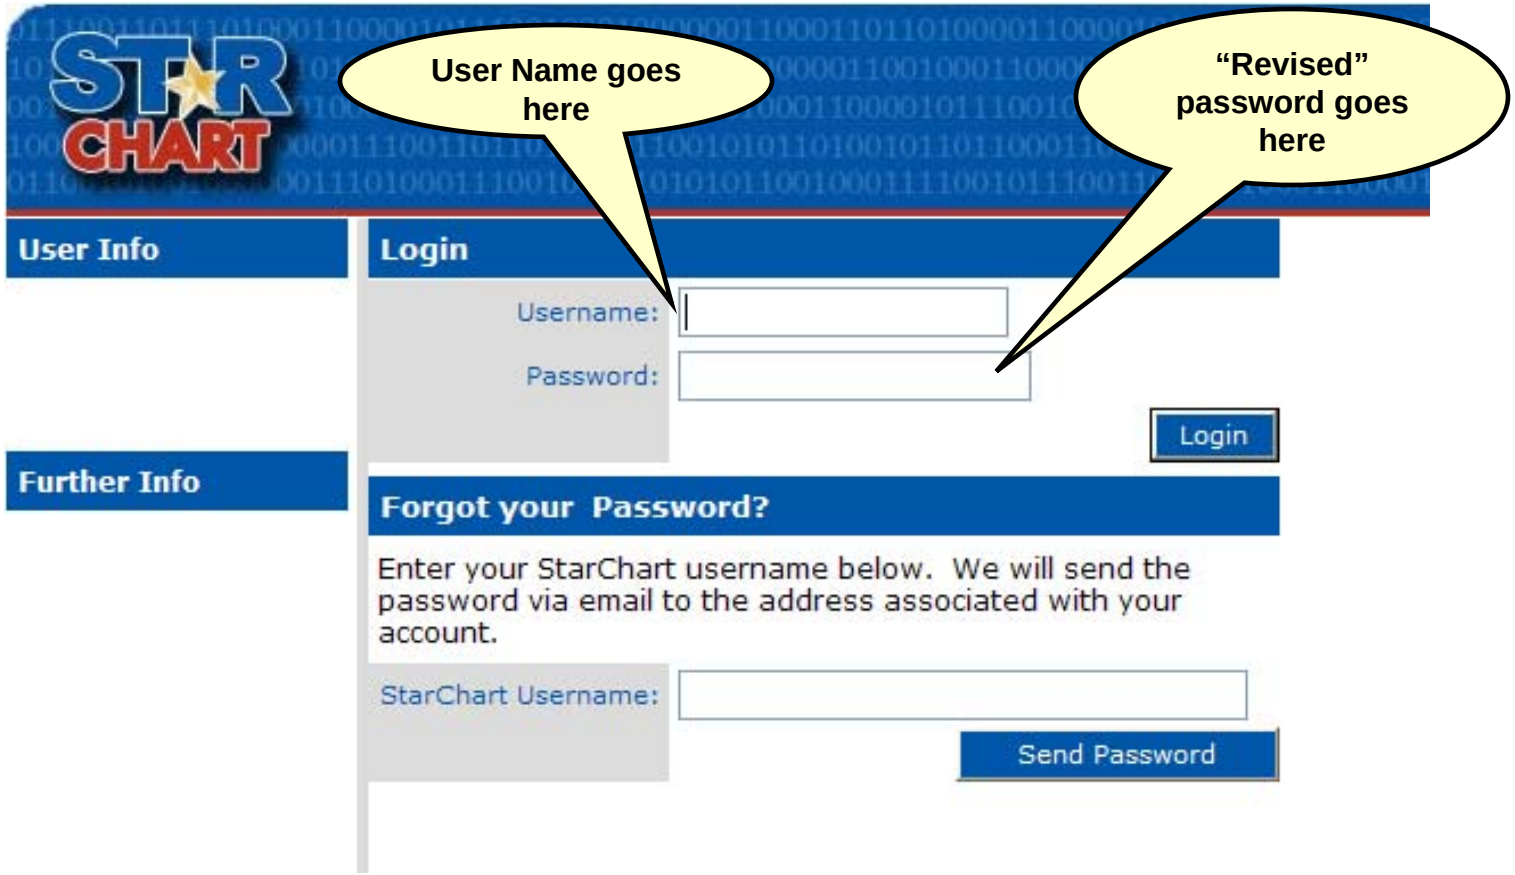
http://starchart.esc12.net/login.aspx?id=c25b4e57d1de43c1bb97a9537ceb589b

Click on the link in the email and it will take you to the STaR Chart site; or copy and paste into your internet browser bar.

Copyright © Education Service Center Region 12

Question continued

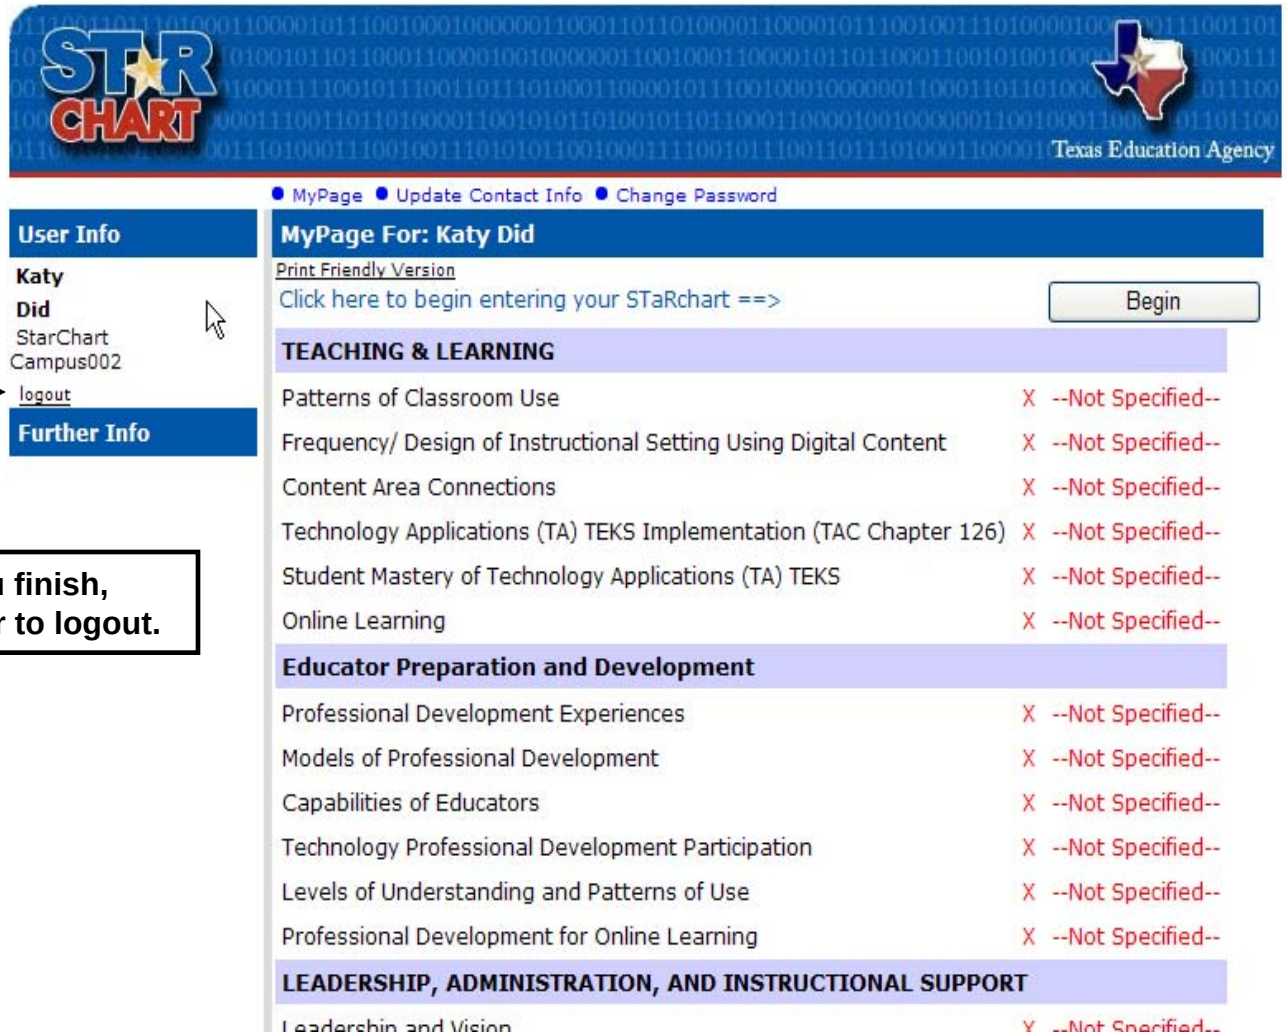
When you clicked on the link in your e-mail address, your account will then be validated and you will need to log in with your STaR Chart username and the new “revised” password you entered earlier.



Copyright © Education Service Center Region 12

When you reach this screen you have successfully logged into the STaR Chart.

Question continued



When you finish, remember to logout.

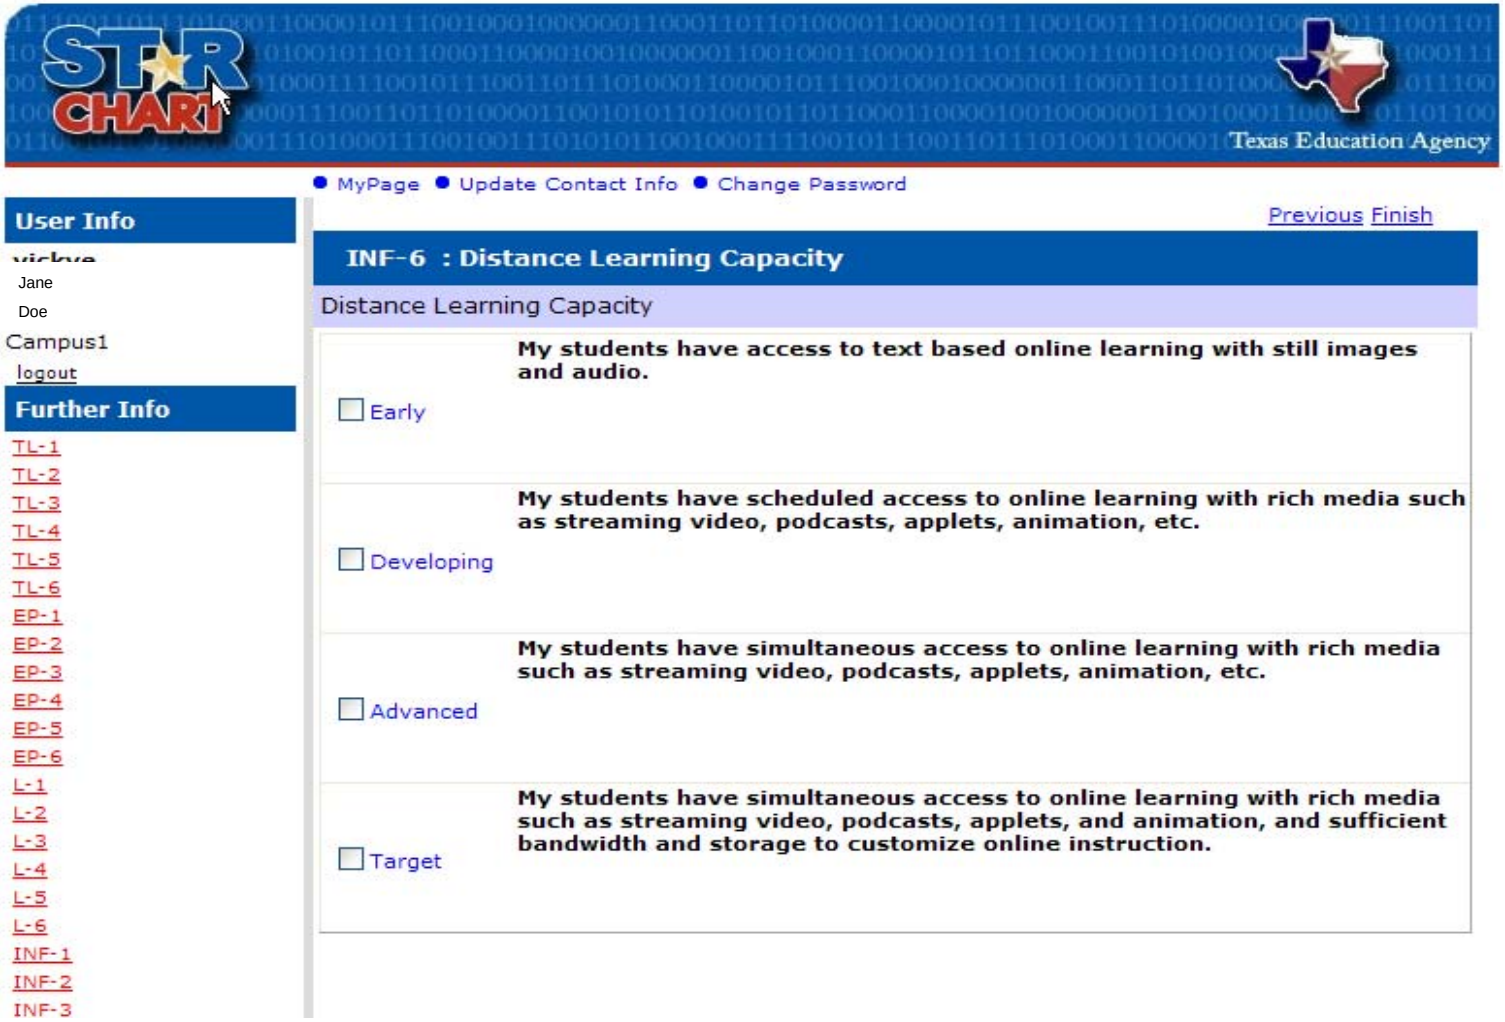
The Teacher STaR Chart Survey

There are a total of 4 Key Areas

There are a total 6 Focus Areas within each Key Area.

Copyright © Education Service Center Region 12

From the questions in each category, you will choose the description that best fits you as a teacher or your perception of your campus/district. For example, which best fits you from the statements below? Select your choice!



Copyright © Education Service Center Region 12

Congratulations!

You have successfully completed your STaR Chart!

Below is the screen you will see once you have answered all questions within the survey.
